About Me

I am a skilled web developer with experience in creating dynamic and engaging websites using a variety of programming languages and frameworks.

Experience

Company Name 2020 - 2023

Freelancer

As a web developer, I am skilled in designing, building, and maintaining functional and aesthetically pleasing websites. I have a strong understanding of programming languages such as HTML, CSS, and JavaScript, and are able to use frameworks such as Tailwind css or BootStrap to build scalable and efficient web applications.
